ASSOCIATE RESEARCH DIRECTOR

Date: October 17, 1995

S. E. Pfeiffer, Ph.D.
Professor of Microbiology
University of Connecticut Medical School
Farmington, CT 06030-3205

Subject: Protein and Lipid Transport and Sorting in Neural Cells

Date: March 3-6, 1996

Location: Philadelphia

Re: #4386

Dear Dr. Pfeiffer:

The Scientific Director and CTR's staff have discussed your request for partial support of the conference named above. The program contains topics of interest to the Council, and the list of speakers ensures the scientific quality of the meeting. I am pleased to inform you that we will make a contribution of \$1,000 to help defray, in part, the costs of the conference. A check for the noted amount, payable to the American Society for Neurochemistry, annotated with the name of the symposium, together with a copy of this letter was forwarded to the ASN Treasurer.

It would assist in our record-keeping if we could have a written acknowledgment of the contribution. We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely yours,

George A. Hashim
